MINISTRY OF INVESTMENTS, TRADE AND INDUSTRY

PRESS STATEMENT ON THE KENYA DELEGATION TO INDONESIA

Thursday 11th May, 2023

The culmination of a successful three-day visit was marked by a historic 'DEAL BOOK' signing ceremony.

Representatives from diverse sectors, including Blue Economy, Mining, Renewable Energy (Geothermal), Edible Oils, Livestock, Railway Infrastructure, Pharmaceuticals, and Oil and Gas, came together to forge partnerships and unleash the potential of collaboration.

The Memorandum of Understanding signing is a statement and commitment of our two Governments to foster partnerships between Kenya and Indonesia. This landmark event sets the stage for transformative growth, innovation, and sustainable development, propelling both nation towards a future of prosperity and progress.

During the three-day engagements held under the guidance of the Office of the Coordinating Minister for Maritime Affairs and Investment, the Cabinet Secretary together with members of his delegation, held focused consultative sessions with key players from the Indonesian State Owned Enterprises, select Private Sector players, Indonesian State Agencies that facilitate Trade and Investment; and conducted a tour of Indonesian Ports Authority (PELINDO) and held a roundtable discussion with the Federation of Indonesian Chamber of Commerce (KADIN).

The Coordinating Minister and the Cabinet Secretary expressed satisfaction on the progress made so far on the consultative engagements and looked forward to the conclusion of most of the tasks agreed upon before the upcoming High-Level visit by H. E. President Joko Widodo, President of the Republic of Indonesia to Nairobi, scheduled for early July 2023.
