CAIPs to Grow Country's Economy through Agro-Industries

DP Kithure Kindiki leading the consultative meeting

The National Government, in partnership with County Governments and other role players are making significant progress in the implementation of the first phase of CAIPs, the Deputy president Prof. Kindiki has assured.

Prof. Kithure Kindiki revealed that the County Aggregation and Industrial Parks (CAIPs) phase 2 comprising of 16 CAIPs would commence once phase one is complete.

“Once complete, the CAIPs will grow the country's manufacturing through Agro-Industries and enhance competitiveness of the Agriculture sector sustainably.” He added.

“Manufacturing is one of the key pillars in the Kenya Kwanza Administration's Bottom-Up Economic Transformation Agenda (BETA). It envisions at least one CAIP in each Counties in Kenya.” Acknowledged the Second in Command.

The first phase covers 19 Counties: Busia, Bungoma, Nakuru, Trans-nzoia, Migori, Homabay, Siaya, Kwale, Nyamira, Meru, Garissa, Mombasa, Machakos, Nandi, Uasin Gishu, Kiambu, Kirinyaga and Embu at the cost of Sh4.7 billion. Present during the consultative meeting were Principal Secretaries; Dr. Chris Kiptoo (The National Treasury), Mr. Alfred K'Ombudo (Trade), Ms. Susan Mang'eni (Micro, Small and Medium Enterprise Development), Ms. Teresia Mbaika (Devolution). The State Department for Industry was represented by Industrial Secretary, Prof. Erastus Gatebe

Dr. Chris Kiptoo PS National Treasury
